SUBJECT: General -- Operational/CALL

Specific -- Name Trace Request on Erwin BRANDT

Reference: MIBA-9277, 19 June 1951 (Biographic Information)

1. All addressees are requested to expedite trace and respond by cable on:

Erwin \*BRANDT

DOB: 4 March 1899

POB: Goehren/Mecklenburg

ADD: Duesseldorf, Schwerinstrasse 21. TEL: 448012

2. He was criminal advisor to RSHA IV A 1 (Headquarters of the Reichs Security Service) from 1932-1941, when he entered the Army. Two years ago he was arrested by the Court in Deggendorf, Bavaria, while there as a witness in the trial of a colleague. He was imprisoned (Untersuchungsgefängnis) in Frankfurt, tried last year in Duesseldorf and sentenced for two years. He has appealed the case to the Bundesgerichtshof in Karlsruhe, and is free pending the Karlsruhe Court ruling. BRANDT was under charge of beating up and causing the death of Communists while they (some of Rote Kapelle) were under investigation. His defense was that the beatings were ordered by higher authority and were intended to help get confessions out of the Communist members of the Rote Kapelle.

3. BRANDT has worked for Frederick FLICK for the last five years as office manager of the Flick office in Duesseldorf. He was approached by the BIS, in the past, but responded negatively. He was asked last year by colleagues in Berlin to get back into security work in order to combat Communism, but he said no.
